

THE BROWNS IN NEW ZEALAND

JUNE 2018

Winter started early this year! It seemed like we had no fall but jumped right into the cold, wet, and windy weather of winter. It's only June and we're already looking forward to spring.

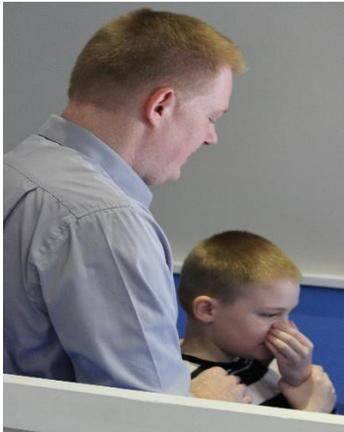

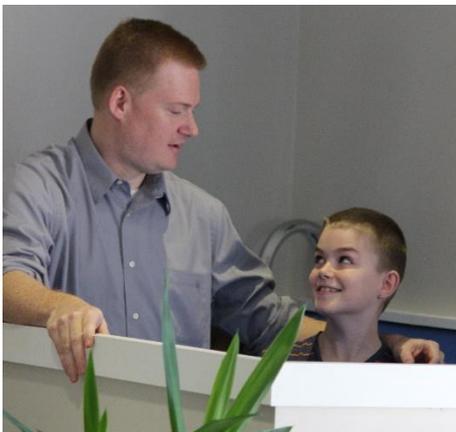

Mother's Day is celebrated the second Sunday of May just as you do in the states. We had a wonderful group of ladies attend the Worship Service. Each lady received a flower and a gift card. We are truly blessed with faithful ladies that love the Lord.

We continue to be encouraged with visitors in our Sunday Services. One of the men in the church is a courier driver and he is always asking people to church when he delivers a package. Several people have visited because of his boldness.

This same man and his wife have been bringing a young Samoan lady to our services. Little did we know that To'a was saved several years ago at a Ladies Prayer Breakfast we had but her parents refused to let her come to our services. Less than 6 months ago she was able to start attending our church, told us how she silently called on the Lord to be her Saviour that morning at the prayer breakfast, and this past Sunday was baptized. To'a is full of questions and is growing in the Lord. The harvest may be slow at times, but what excitement when another soul is added to God's Kingdom!

On another high note, Tim and Joy Guenther's two youngest boys were also baptized this past Sunday with To'a. Ethan and Landon had been saved before coming to New Zealand but had no yet followed the Lord in baptism. What a great testimony these two boys were to those in our church that are not saved or have not followed the Lord in baptism.

By **HIS** grace & for **HIS** glory,

The Browns

Dale and Janet

Thank you for all you do so that we might continue to minister to the people in New Zealand.
