**Dear Praying Friend,**

Thank you for praying. You'll rejoice with us that—

1. Joanne's surgery went well, and she had a good report on her last check-up
2. Mark got the inside and outside of the church painted. The Lord gave a hot, dry spell so everything dried. It looks great!
3. Carol is a bright testimony. She had another round of chemo, but still comes to church though now bald and with a cane. Pray for this brave saint and her unsaved husband, as they face tough days ahead.
4. The nursing home service is well attended and always a blessing.

**Prayer Focus:**

1. For salvation of the lost, obedience of believers, and for new contacts to come to church
2. For wisdom, health, provision, and God's power to serve most effectively
3. For a one-on-one Bible study with Susan and the challenges she faces
4. For Rebecca, a church teen, as she begins another year in the public high school

Your continued support, prayers, and vision for missions is much appreciated. Thank you for getting the Gospel out in here in Edinburgh. Presently the city's international festival (music, arts, street performers) is on, the city has swelled in numbers, and the need of the lost never seemed so great! When the schools reopen for a new term and the city gets back to normal, all the locals breathe a sigh of relief!

Thanks again for your help and prayers, and for laying up treasures in heaven. God bless you!

Gratefully yours,

Mark and Joanne Landon
