

Thank You!!!

From the Sabenas

February 2019

Dear West Rome Family, ☺

Two weeks ago we hosted the Mukisas for breakfast at 7:30am. We had scrambled eggs, banana pancakes, pineapple, toast, juice, and coffee.

We have been working with William and Toppie for 7 years now and love watching how much God has worked in their lives and marriage. William asked us and a few other close friends to pray for him last week because he was offered a position to lead the men's ministry at their church. We prayed, but wholeheartedly knew that he should accept that call which he did.

William and Toppie genuinely love people and have a heart for discipleship. They have gone through our Biblical discipleship and parenting classes, and we believe they are fully equipped to pour out all that God has taught them into the lives of others. We will be here cheering them on and are available to pray and support them in any way they need!

Thank you for your generous gift of support this month which allowed us to not only buy the food to feed us breakfast last Saturday but has allowed us to have the opportunity to be here in Uganda long term to be able to slowly walk with couples like the Mukisas as well as so many others. We are thankful to God for your faithful partnership.

The Mukisas ~ William & Toppie, Zion and Caleb.

Gratefully Yours,

Prince & Heidi ☺
